Field Trip for School Groups to visit an Animal Sanctuary

A fun day out in the pristine Para Wetlands to learn how to be safe around animals, animal care & animal rescue and plant-based nutritions - includes lunch and animal food!

Program:

10am Arrival at Te Paranui:

Intro to the animal care and rescue program at Te Paranui by founder Maia & certified animal carer Alex.

Health & safety check, learning the 5 rules to keep everyone safe

10.15 Meet the animals:

Introducing the animals and talk about their rescue story Get close to the animals (each group of 5 in 10 min rotation with Alex & volunteers)

- Hand feeding Alpacas and Sheep
- Spa treatment for the Mini horses and Donkeys (brushing)
- Pet Theo the giant cow and his best friend Mini Mateo
- Say hello to Pepper and Lottie the pigs and spoil them with their fav food: fruits!
- Play with the small rescue animals in the safety enclosed 'pet zone'

11.45 Prepare a plant based whole foods* lunch

All kids get to do something to help with cooking Includes a kids talk about basics on nutrition with certified plant-based nutritionist Maia

12.30 Have lunch together

Cleaning up - enjoying free time on the trampoline

1.30 Meet the Greyhounds of Hounds4Life!:

Talk about retired Greyhounds as pets How to behave properly around dogs Petting a Greyhound

Watch the Greyhounds full speed in the exercise run!

- 2.00 Plant edible plants for the animals OR **Doing art work** (sketch your favourite animal)
- 2.30 **Q&A, Group photo** with horses and dogs

Our 5 rules to keep 2-legged and 4-legged people safe:

- 1. Stay in the group
- 2. Don't open gates or climb over fences
- 3. Don't go on the paddocks
- 4. Use only what we provide for feeding the animals
- 5. Don't scare/startle the animals

Pricing: \$ 17 per person plus a flat rate of \$ 80 per visit

An additional Koha is very much appreciated by the animals:)

Group size: 18 - 28 (includes adults)
